#### FOR THE FIREMEN'S FAMILIES

Good Sum Realized by the G. A. R. Entertainment Last Night.

The musical and literary entertainment given by the Central Order of Zouaves and Lafayette Post, No. 20, G. A. R., last night at Central Market Hall for the benefit of the families of the firemen who lost their lives in the Louisiana avenue fire, attracted a generous-sized audience, considering the inclemency of the weather.

The program opened with an overture by the Fourth Artillery Band, under the leadership of A. Bigelow, and was followed by an address delivered by Hon. Henry M. Baker, selections by the Washington Ladies' Quartet, composed of Miss Bryant, Miss Dexter, Miss Fulton and Mrs. H. Taylor; address, Mr. Edwin Willets; duet, Misses Mabel and Florence Chambers; fancy dance, Mrs. Little, Annie and John Downey; solo, Miss Mollie Wright, accompanied by Miss M. A. Brown; recitation, Mr. John Tweddle; solo, Mr. Joe Harbrough; duet, Miss Brown and Miss Wright; comic recitation, Miss K. Browne; and a series of fancy dances by Misses Frank May and Mabel Cook and Master Christie Sprosser.

An announcement was made from the stage that 300 tickets had been disposed of by those who had the entertainment in charge, which, with the money taken in at the door, would insure them a generous donation to contribute toward the fund.

#### CITIZENS FILE PROTEST

Complain of Eckington and Soldiers' Home R. R. Service.

U. S. OFFICIALS INTERESTED

Commissioners Declare the North Capitol Street Schedule Is Not Satisfactory—Anti-Saloon League to Have a Hearing—Protest Against a Bid for Drug Contract.

Complaints of citizens against the character of the service rendered by the Eckington and Soldiers' Home Railroad Company, and the total lack of service on some of its lines, has caused the United States Attorney General to make an investigation, and it is probable some action is contemplated, which will work a reformation.

A letter, dated the 20th instant, has been received by the District Commissioners from Acting Attorney General Conrad, in which reference was made to the grievances brought to the attention of the department and the District authorities were asked to express an opinion as to the grounds of complaint.

Answer was returned yesterday, in which the company had been reported as having commenced operations on one of its disused branches, located on North Capitol street, but that the service is not satisfactory. An inspector has reported that the company has not been running cars on a regular schedule, if there is a regular schedule, it is not run, twenty-five minutes apart.

The Commissioners also state that the company has so far failed to comply with their request for a copy of its schedule for the running of cars on the North Capitol street branch.

**APPEAL FOR THEIR RIGHTS.**

The Anti-Saloon League, through its officers, has asked of the District Commissioners to appear before them and present their arguments in favor of the enactment of the measure to provide for liquor.

The league officials say that under the present law Attorney Thomas has been allowed equal to that of the supreme court, since he has the authority to refuse the issue of a warrant unless he can be satisfied that a case will be made out.

The committee appointed to decide the case recently submitted for furnishing general supplies to the District for the ensuing year, has a protest in hand from Sharpe & Dolme, a Baltimore drug firm, against an award of contract to Parke, Davis & Co. for certain lines of medicines, stating as the ground of objection that the form of the schedule prepared by the Commissioners was in irregular and therefore unlawful form.

**NO USE TO BID.**

Sharpe & Dolme assert that the Commissioners are obliged by the wording of the schedule to award the contract to Parke, Davis & Co., and no one else, since their preparations are specifically named in the list as the kind required to be furnished, and that, as a matter of fact, no other company can supply Parke, Davis & Co.'s drugs.

Upon this construction, they argue, there is no use in advertising for bids for any specific article named in the drug schedule.

**\$1.25 to Baltimore and Return.**

The B. & O. R. R. Co. will sell excursion tickets from Washington to Baltimore for all trains of Saturday and Sunday, May 30 and 31, at the rate of \$1.25 for the round trip, valid for return passage until the following Monday. (May 27-28-29-30-31)

**Excursion to Potomac and Gettysburg via B. & O. R. R. May 30.**

Under auspices Washington Division, No. 1, U. R. R. of P. Train for Gettysburg, \$1.50 a. m. rate 25c. For Potomac \$3.00 a. m. rate \$1.75. (May 16-20-27-29)
